

The Hudson River-Black River Regulating District enters into contracts for construction, services, and commodities that are needed to fulfill its mission. All District procurements are conducted in accordance with State laws and procurement guidelines. The District encourages small, Minority and Women Owned (MWBE), and Service Disabled Veteran Owned (SDVOB) Business to pursue and compete for procurement.

The District's annual goal for MWBE participation is 30% and SDVOB is 6%.
