

HUDSON RIVER – BLACK RIVER REGULATING DISTRICT

APPLICATION FOR RENEWAL OF ACCESS PERMIT AT GREAT SACANDAGA LAKE

I (We) hereby apply for renewal of _____ Access Permit No. _____.

In making this application, I (We) hereby acknowledge that Great Sacandaga Lake is a river-regulating reservoir and that since its surface elevation varies according to the needs of the system of which it is a part, it is not always ideal for recreation. I (We) understand further that recreational use of the reservoir is secondary and subordinate to its regulatory function and must not, therefore, interfere with reservoir operations.

I (We) agree to comply with and be bound by all rules and regulations of the Board of the Hudson River-Black River Regulating District pertaining to access permits and with all terms and conditions of said permit; which rules and regulations and terms and conditions are made a part hereof and of the Permit Renewal Certificate, the same as if fully written out and set forth herein and therein.

I (We) further agree to HOLD HARMLESS the members of the Board of the Regulating District, the District, its officers and employees against any and all claims, damages or causes of action for damages arising out of the use of such permit: and further agree to indemnify said Board, the District, its officers and employees for all such suits, orders or decrees and judgments entered therein, including the cost of defense of all such claims or suits brought on account of injury to person or property or loss of life sustained by the entry, use or occupation of District lands under the permit for the duration thereof and during the period subsequent thereto within the statutory period of commencing or filing such claims or suits in any competent jurisdiction.

I (We) understand that an access permit is simply written permission to use a segment of State land under Regulating District jurisdiction for access to the Lake; it is not a contract or lease and I (we) am not the owner of the access permit area; the Board reserves the right to determine the width of the access area to be granted; access permits are non-transferable and cannot be sold or otherwise conveyed by their holders; all access permits are issued at the discretion of the Board.
